

Dear Landowner,

On behalf of the Second Virginia Breeding Bird Atlas (VABBA2) project and its supporting partners, I would like to sincerely thank you for allowing me on your property to observe birds. I have enclosed a checklist of the bird species that I observed, while surveying your property.

Partnerships with private landowners like yourself are crucial to the success of a statewide conservation project like the VABBA2. Your participation helps ensure that the project receives the most comprehensive coverage of Virginia possible and that the richness and diversity of our state's wildlife and habitats are maintained into the future.

Please let me know if you have any questions about my visit(s) to your property or the Atlas project. You can see periodic updates on the status of VABBA2 on our website (vabba2.org) or Facebook page (facebook.com/vabba2).

Thank you again for your help and cooperation.

With appreciation,

Virginia Breeding Bird Atlas 2 Volunteer
